THE SUN RENOVATES AN OSTERMOOR MATTRESS

The Ostermoor is built (not stuffed) of elastic, fibrous Ostermoor sheets—germ-proof and vermin-proof. We know there is no mattress on earth "just-as-good" as the Ostermoor, and we are exclusive agents for your protection against worthless substitutes. Come to us for the genuine Ostermoor—a masterpiece of comfort. Order one.

Nothing but an occasional sun-bath is needed to keep an Ostermoor Mattress thoroughly renovated.

And if the tick gets soiled—soap and water and a brush cleans it. Why sleep on a mattress filled with dead animal hair? The very fact that it needs picking to pieces to clean it of dirt (and the germs stick!) should be enough to sicken one against it, for

CLEANING HAIR IS A DIRTY JOB.
